The International Journal of Pharmacy and Life Sciences (IJPLS) is the online peer-reviewed monthly international journal launching on May 2010.

We invite papers that make significant contribution to the Research knowledge related to Pharmaceutical and Life sciences.

Journal publishes peer-reviewed original research papers, systematic reviews, explorer research articles, short communications, news, interviews, and achievements.

To achieve our goal, we need to attract the very best papers from abroad as well as from India.

For that purpose I have invited number of specialists out side India to serve as editors. At the same time, I welcome opinions and comments to improve the editorial policy of the IJPLS.
